AEROSPACE ALL-STARS AWARDS DINNER

SPONSORSHIP PACKAGES

The event used to be a fundraiser, with all proceeds going to the Manitoba Aerospace Student Awards Endowment Fund. The endowment fund has reached its target to cover all intended scholarship contributions. Starting 2026, the Board approved to use the net proceeds from the All-Stars Awards Dinner to support the operating cost.

Individuals / companies are welcome to contribute directly to the endowment fund to help secondary and post-secondary students to complete their education and find rewarding careers in the aerospace industry. To contribute to Manitoba Aerospace Student Endowment Fund, please click here.

The awards are offered based on a list of core values that industry representatives have determined to be the most important characteristics for workers in the aerospace industry including: Teamwork; Reliability; Work Ethic; Integrity and Innovation. Sponsorship levels and benefits provided:
